Dear Clients,

We appreciate your business and we are working hard to sell your home. If your listing contract with us is due to expire soon, or already has, please be sure that we have a signed agreement that is up-to-date. We would be honored to serve you for an additional 6 months. If that is your preference, please print out, sign, and return the Extended Contract Form. If you do not want to re-list, please give us a courtesy call so that we will be aware of your decision and can take your home off our listings.

I encourage you to check your listing on line (www.reneesresales.com) and bring any necessary corrections to our attention. We also have the site, www.seniormobiles.com that I maintain myself. We also list on Ebay, and sometimes Craigslist. These websites bring many visitors to our homes.

I look forward to continue servicing your need to get your home sold. If you have any questions please don't hesitate to give me a call.

Sincerely,

Renee Krabbe
